Course Description:

This course is a fun intro into exciting world of Animation. Students will learn animation principles and complete their own short animation by using Toonboom Harmony software, the leading software used by artists and professional animators.

The course will be held ONLINE via ZOOM video conference. Students will need access to a computer / tablet / phone with internet connection and zoom.us. After the lecture and demonstrations teachers regularly check and correct the digital image of a student's work, explain what works cases and what does not, and why.

Schedule:

Week 1-2: Introduction & Motion Graphic

Week 3-4: Puppet animation

Week 5-6: lipsync

Requirements/ Pre-Requisite:

PC or laptop with Toonboom Harmony animation software installed:

Toonboom Harmony store

(for education): <https://store.toonboom.com/students>

System requirements: <https://www.toonboom.com/products/harmony/system-requirements>

*Harmony Essentials is okay for the class.

Refund Policy:

Refunds are issued if:

- 1) A family new to Mathletes provides notification before the 4th practice of their FIRST Mathletes session will receive a pro-rated refund for unused classes, less a \$40 processing fee.
- 2) If you are unable to attend online classes due to a change in your school schedule -for example, your school is now in person- you will also be invited to attend another online class that might fit your schedule. People can switch from one class to another without any processing charge - they would simply pay the difference in tuition (if there is one). If we cannot find a suitable online class, you will be given a pro-rated credit towards future classes and camps.
